

# Africa Adventure 2005 Great Tour of China 2006 Briefing Day

Sunday 20 March 2005  
Motor Heritage Centre, Gaydon (M40 Junction 12)

## BOOKING FORM

Our Briefing Day on Sunday 20 March is organised for all crew members who have booked their place, and for those thinking of taking part on the forthcoming Africa Adventure Drive 2005. The Briefing Day is also recommended to anyone thinking of taking part in one of our future 4x4 adventures including the Great Tour of China 2006. John Brown will be updating us all on his findings with the support of photographs taken on his recce.

The 4x4xplore panel available on the day will include the organisers John and Joanna Brown, our event doctor Dr Greg Williams (who will be giving advice on medical issues), our shipping agent and a representative from our Insurance Broker, Clarke Roxburgh, will all be available to discuss issues on the event and answer all of your questions.

Also present will be Mike Preston, our route co-ordinator for the up coming Great Tour of China 2006, which follows our highly successful event in 2004, who will be reporting on the progress to date, including plans for a new route which he is recceing during April.

Registration and coffee is at 09.00 for an 09.30 start, and the day will include a mid morning coffee break at approximately 11.00, lunch at 13.00 - 14.00 and tea and coffee at 15.30 rounding off for a 16.30 finish.

The day will be free to all those who have entered any of our forthcoming events and £45 per person for all others. This will be refunded if you subsequently enter an event.

Book your place(s) now and join the 4x4xplore team at Gaydon on 20 March by completing the form below and returning it, together with appropriate payment, to the 4x4xplore office as soon as possible.
